

Asha Patel Woven Wrap Bracelets
by Anna Rice on April 21, 2010

We love these woven leather wrap bracelets from **Asha Patel Designs**. They're perfect for mixing and stacking, and will look great paired with a tribal-inspired tank, denim shorts, and gladiator sandals. They retail for \$40 each and are made with eco-friendly leathers. To shop and view the rest of the new All Wrapped Up collection, visit ashapatel designs.com.
