Interview with Eve

Lilith got fed up with Adam's bossiness and left him. And then he got me and you know the rest... Adam never had much luck with women. 🐦 Don't get me started on those fig leaves... guess who got stuck with the laundry from Day One? 🐦 While Adam snored, the snake and I stayed up to schmooze. And believe me, he knew all the dirt in the Garden. 🐦 That apple? Adam never let me live it down. No matter what went wrong, he was like, "If you hadn't eaten that apple blah blah blah..." 🐦 Let me set the record straight...
